A FREE START THAT CAN GROW

Your Heart Start Website gives your business a professional place online with no design or setup fee.

- Professionally designed single-page website
- Business name, services, hours and contact details
- Mobile-friendly layout
- One contact button or call-to-action
- Basic search-friendly title and description
- One round of minor text changes before launch

No setup fee. No pressure. Real human support.

Availability is limited. You provide final wording, logo and photos. Domain registration and ongoing hosting are separate.

LET'S GIVE YOUR BUSINESS A HOME ONLINE

Tell us what you do. We will help you choose a clear, comfortable starting point.

TECHNOLOGY MADE HUMAN

Technology should make your work easier - not make you feel lost.

Knowledge With Heart combines more than 20 years of hands-on technology support with a calm, customer-first approach.

- 20+ years of hands-on IT support experience
- Plain English without judgment or unnecessary jargon
- Remote and local support for Metro Detroit and beyond
- Your pace - patient help built around your comfort level

One trusted person for your website and technology.

Start small, then add only the services that create real value for your business.

WEBSITES THAT GROW WITH YOU

Begin with the essentials. Expand when your business is ready.

MORE PAGES	About, services, team, gallery, FAQ and other pages that help customers understand your business.
YOUR OWN DOMAIN	Domain setup, connection and business email guidance.
ADVANCED FEATURES	Contact forms, appointments, payments, menus and online stores.
ONGOING CARE	Updates, backups, monitoring and content changes.
LOCAL VISIBILITY	Google Business Profile and enhanced search setup.

SMALL-BUSINESS TECH SUPPORT

Patient, practical help for the technology your business uses every day.

- Windows and Microsoft 365
- Email, accounts and password safety
- Computers, printers and scanners
- Wi-Fi and everyday connectivity problems
- Teams, Zoom and one-on-one training

GETTING STARTED IS SIMPLE

1. Tell us about your business
2. We create your starter site
3. Launch, then grow when ready
