LEVEL 1

HEART START WEBSITE

FREE

DESIGN & SETUP

A clean, professional place online for a small business that needs the essentials.

- One professionally designed single-page website
- Business name, services, hours and contact details
- Mobile-friendly layout
- One contact button or call-to-action
- Basic search-friendly title and description
- One round of minor text changes before launch
- Free address and hosting while the starter program remains active: YourBusiness.knowledgewithheart.com - an address that includes both your business name and ours

Best for: New or very small businesses that need a credible starting point.

LEVEL 2

FIVE-PAGE UPGRADE

$599 LIMITED-TIME

Normally $895

More space to explain your business, feature services and guide customers toward action.

- Up to five professionally designed pages
- Contact form
- Your own website address, such as www.YourBusiness.com, plus business email setup
- Basic local search optimization
- First year Website Care Plan included - managed hosting and up to four major design changes
- Website Care Plan renews at $249 per year after the initial year
- Mobile-friendly design and clear navigation

Best for: Growing businesses that need dedicated pages such as Home, About, Services, Gallery or FAQ, and Contact.

LEVEL 3

COMPLEX DESIGN SERVICES

STARTING AT $1,500

A tailored website for businesses with advanced customer interactions, selling tools or ongoing needs.

- Appointments and scheduling
- Online payments or online store
- Customer forms and portals
- Ongoing maintenance and content updates
- Expanded pages, workflows and integrations
- Project planning based on your business goals

Best for: Established or specialized businesses that need the website to perform business processes, not only present information.

Third-party charges such as domain registration, premium software and transaction fees are separate unless specifically included. Hosting is included only where stated.
Prices and promotional offers are subject to change. Current pricing will be confirmed before work begins.
